

# MENACE

Our entry-level model is packed with features, as far as opening price point scooters go, it just doesn't get any better than the new Menace from Mongoose.

---

- › Junior sized 19.5" x 4" Hollowbox alloy deck
- › 560 mm Steel T Bar
- › Classic dual colour flangeless mushroom style grip
- › Fraction 100mm wheels with ABEC 7 bearings

**mongoose**<sup>®</sup>

**£64.99**

# VILLAIN

The Villain hits the nail on the head when it comes to affordable skatepark scooter equipment. A dialled in kit and bold graphics really sets the Villain model apart from the crowd.

---

- › 20" x 4.5" Hollowbox Alloy deck
- › Reinforced fork with super strong SCS compression system
- › Classic dual colour flangeless mushroom style grip
- › 110mm Fraction alloy core with ABEC 9 bearings

**mongoose**<sup>®</sup>

**£79.99**

# BRAWLER

The Brawler boasts features found on many pro-level models at a mid-level price. Built around a slim aluminium deck with threadless headtube and sealed internal headset, lightweight steel forks, and taller wider bars finished off with new Mongoose Mushroom push grips – the Brawler is all set for skateparks and street.

---

- › 20" x 4.5" Hollowbox Alloy deck
- › Lightweight 600mm alloy T bar
- › Fully sealed Mongoose internal headset
- › 600mm wide T Bar

**mongoose**<sup>®</sup>

**£99.99**

# HOO L I G A N

Feedback from team riders has also led us to include a custom cut-away 82.5 degree headtube, 22" by 4.8" pro-size 3-degree concave T6 aluminium hollow-box slimline deck and a price-tag that puts other pro scooters to shame, the Hooligan is one of the best value completes on the market.

---

- > 22" x 4.8" Slimline deck with 3 degree concave
- > Ultra wide 610mm alloy T bar with rise
- > 110mm Hollowcore alloy wheels
- > Lightweight cut out alloy fork

**mongoose**<sup>®</sup>

**£139.99**
